

# COPA INTERNACIONAL DE MOUNTAIN BIKE

## CiMTB 2026 SKILLS CHAMPIONSHIP REGULATION

### 1 - OFFICIAL CALENDAR

- #1 - April 10th to 12th - CONCEIÇÃO DO MATO DENTRO;
- #2 - May 30 (Saturday) - ARAXÁ from 8:00 am to 6:00 pm
- #3 - September 26 - CONGONHAS from 8:00 am to 6:00 pm

### 2 - SKILL CHAMPIONSHIP

- The Skills Championship will be a competition with technical obstacles where cyclists must perform a sequence, passing through obstacles that will be set up in the event's arena;
- The objective of the Skills Championship is to awaken in athletes, especially from the base categories, the interest in the development of control techniques on the bike;
- Each failure / fault will have a score and the winning cyclist will be the one with the lowest accumulated score and execute the course in the shortest time;
- The score of a fault will depend on the difficulty level of the obstacle (putting your foot on the ground, knocking down or passing over demarcation cones, leaving a demarcated track with paint or even leaving the obstacle with the bike).

## 3 - HOW TO PARTICIPATE?

- The Skills Championship is only for athletes in the male and female youth categories (U12, U15, U17 and Junior);
- Registration is free. XCO registrants will automatically be able to compete;
- **Participation is not mandatory but athletes who compete will earn 5 points in the XCO championship;**
- In addition, we will have an exclusive skills championship and a podium with the top 5 athletes in each category;

## 4 - SCORING

- The score will be the sum of the athletes' points in their respective categories;
- The tiebreaker will be the best result in the last test.

25	1	1	4

## 5 - AWARDS

- At each stage we will have the podium with the top 5 who will receive a medal and leader's shirt;
- At the end of the championship, the champion athletes will receive a medal and the overall champion of each category will receive the official champion shirt of the season;

# COPA INTERNACIONAL DE MOUNTAIN BIKE

## 6 - LEADER SHIRT AND TEAM UNIFORMS

- The leader's jersey will be awarded to the athlete with the highest number of points after the results obtained in each stage;
- The athlete may apply up to 3 logos of his/her sponsors in the blank space available on the front of the shirt. If the athlete applies any visual identity outside the correct space, the organization will not allow the shirt to be used in the race.

## 7 - REGULATION

- Regulations and disciplinary rules of the UCI (Cycling Union) will be followed International), CBC (Brazilian Cycling Confederation) and Federations State. They are available at the entities;
- **IMPORTANT:** Omissions will be judged by the Race Direction and responsible stewards.

## 8 - PUBLICITY AND RIGHT TO USE IMAGE

- The test can be broadcast live, recorded on video and/or photographed. Athletes who have any restriction on the use of their image must do so in writing before the race. Otherwise, all images will be considered as released for any type of use, on any date, without any financial compensation, for an indefinite period;
- We have several actions with sponsors at the event. By registering, athletes agree that the organization of the event will use their data to publicize these actions and promote products related to sponsoring companies.
